Rebecca Lopez

Miss Dancerette 2020

To my Dance Unlimited Family,

Dance Unlimited has been my second home for 15 years and I am so grateful for that! I am especially grateful to have been blessed with such a place where I can escape and be surrounded by the people I love. I would not be the person I am today without you.

I would like to say thank you to my friends, family and teachers for believing in me these past years. It is so hard for me to believe that my time at Dance Unlimited is coming to an end. It feels like just yesterday I was three years old performing in my first recital. The people I have met here have become family.

To my Alphas, these past years have been my favorite at DU all because of you. The laughs and memories we have made I will cherish forever. I have never been surrounded by more inspiring and amazing people in my life and I am going to miss each and everyone of you.

To my Family, thanks for believing and loving me through it all. You have been my rock my whole life.

To the DU staff, thank you for pushing me each day and helping me become the best version of myself. You all have taught me how hard work and dedication can make what seems impossible possible.

Finally to Ms. Kristin, you are such a special person in my life. Without you, I don't think I would have been awarded Miss Dancerette. You have taught me how to be a true leader and motivate the people around me. Words can't describe how thankful I am for you.

I am beyond grateful for all of the love, support, memories, and friendships I have made these last 15 years at Dance Unlimited. I will hold them in my heart forever. Thank You all again for being my second family.

Love you to the moon and back,

Becca Lopez
